

This is truly one of the prestigious pebbles of modern design, boasting a spacious open living area, one master, two bedrooms, a double garage, a paved patio with a pool and barbeque. The texture of the façade and the texture of the land reinforce and enhance each other, showing the perfect balance between the two. It is a great living space letting in as much sunlight as possible through many floor to ceiling windows. It is rightfully an absolute modern masterpiece.

Floor Area: 221m²
